Dear Sir/Madam

**INFORMATION CIRCULAR TO THE INDUSTRY FOLLOWING THE 2007 ROUND OF INDUSTRY NEGOTIATIONS**

Further to the Council's Circular NBC/1/2007 of 11 May 2007, this circular summarises the outcome of the Industry negotiations. The Parties to the National Bargaining Council have concluded a Collective Agreement in terms of which the total labour cost increase for the Non-Metro Areas with effect from 1 September 2007, amounts to R26,00 based on the machinist's wage rate and the percentage of that increase applied on all other wage categories.

The Agreement will be submitted to the Minister of Labour with a request that it be extended to employers and employees in the Industry, other than those who are party to the Agreement, i.e. all Non-Parties.

Details of the negotiated settlement in respect of the Non-Metro Areas (Part I of the Council's National Main Collective Agreement) are as follows: -

**1. New Wage Rates and Across-the-Board Increases for the period commencing 1 September 2007**

The new wage rates from 1 September 2007 which reflect an across-the-board increase based on a R26,00 increase for the machinists and general worker categories and the percentage equivalent on a machinists rate for all other job categories, being :

1. 6.23% wage increase in the Magisterial Districts of Camperdown, Umzinto, Paarl, Stellenbosch and Uitenhage.

All other Areas	R46 020.00	R3 835.00	R885.00

**3. Schedule of Deductions**

A revised schedule of weekly deductions and contributions is enclosed.

**4. Further issues on which agreement was reached**

**4.1 Extension of current gazetted agreements to non-Parties**

The Minister will be requested to extend the current gazetted agreements to non-parties for a further period from 1 September 2007 onwards, until the Parties to the Main Agreement agree otherwise.

**4.2 HIV/AIDS**

The Code of Good Practice on key Aspects of HIV/AIDS and Employment as set out in the Employment Equity Act No 55 of 1998 (as amended from time to time) shall be policy in the industry. A sub-committee shall be established to word it in a manner that this policy is industry specific.

**4.3 Productivity**

The following additional clause is agreed:

- The parties commit themselves to prioritise the work of the Nupen report.
- Subject to clauses 8.3 and 8.5 below, the parties specifically declare their intention and good faith to find practical means whereby future wage increases can be linked to plant-level productivity improvement schemes for both metro and non-metro areas.
- When the productivity-related work programme as set out in the Nupen report is finalised, the ratio between reward for productivity and the ATB annual wage increases for metro and non-metro areas shall be negotiated between the parties at national level, as would be the extent to which parties could determine productivity schemes and reward systems at enterprise level.
- It is expressly agreed that the objective is to implement such arrangements within the timeframes as recommended in the Nupen report and the parties set themselves the objective to implement such arrangements, where agreed between the parties, with effect from the 2008 substantive agreement.
- Nothing in this clause shall serve to over-ride any of the recommendations which are contained in the Nupen report.

**4.4 NBC Levy**

The NBC levy Contribution by employees shall be increased to the same Rand amount as that applicable in other chambers of the NBC.

The parties shall further discuss whether or not to change the NBC levy contribution from a flat amount to a percentage – based one and, if agreed, what percentage would be applicable.

**4.5 Payment of Wages**

All payments of wages in the **non-metro areas** shall be no more than fortnightly, unless otherwise agreed in writing between the parties at plant level.

**4.6 Leave Pay**

In all areas, no employee shall be paid less than three weeks' wages as annual leave pay.

**4.7 Provident Fund**

The employer contribution of 4% of the wage of each employee who has worked 9 ordinary hours or more during any pay week (less the blanket exemption of R1.21 per week) remains unchanged.

In addition, a **4% employee provident fund contribution** shall become payable by way of deduction from the employee's wage, provided this is confirmed in a plant level ballot.

**4.8 Contract Employees**

4.8.1 The parties strongly condemn the abuse of contract work.

4.8.2 The NBC shall conduct a survey on the extent and type of contract work in the clothing industry.

**4.9 Shop Stewards Rights and Facilities**
