CIRCULAR NO. NBC/03/2006

Telephone Enquiries : Labour Affairs Department

12 September 2006

TO : ALL CLOTHING AND GARMENT KNITTING ESTABLISHMENTS (INCLUDING HOSIERY AND MILLINERY) IN THE REPUBLIC OF SOUTH AFRICA (other than those employers and employees who are subject to the scope of those Parts of the Council's National Main Collective Agreement covering the various "metro" areas) i.e. ALL Employers subject to Part I the Council's National Main Collective Agreement for the **Non-Metro Areas**

Dear Sir/Madam

INFORMATION CIRCULAR TO THE INDUSTRY FOLLOWING THE 2006 ROUND OF INDUSTRY NEGOTIATIONS

NON-METRO AREAS

Further to the Council's Circular NBC/2/2006 of 20 March 2006, this circular summarises the outcome of the Industry negotiations. The Parties to the National Bargaining Council, after protracted deliberations with third party facilitation, have concluded a Collective Agreement in terms of which the total labour cost increase for the Non-Metro Areas with effect from 1 September 2006, amounts to R25,00 on all wage categories. The labour cost increase is made up of a wage increase, a 20 cents per week increase in the HIV/AIDS levy and a 30 cents per week increase in the Bargaining Council levy.

The Agreement will be submitted to the Minister of Labour with a request that it be extended to employers and employees in the Industry, other than those who are party to the Agreement, i.e. all Non-Parties.

Details of the negotiated settlement in respect of the Non-Metro Areas (Part I of the Council's National Main Collective Agreement) are as follows:-

1. New Wage Rates and Across-the-Board Increases for the period commencing 1 September 06

The new wage rates from 1 September 2006 which reflect an across-the-board increase of R24,50 (R25,00 less the 50 cents (20c + 30c) increases in the HIV/AIDS and Bargaining Council levies, on all grades, are enclosed.

2. Schedule of Deductions

A revised schedule of weekly deductions and contributions accompanies this circular.

3. Further issues on which agreement was reached

3.1 A blanket exemption is hereby granted to all employers to reduce the statutory provident fund contribution rate of 4% as provided for in Clause 42 of Part I of the Council's National Main Collective Agreement by an amount of R1,21 per week being the amount by which a wage increment of R24,50 (point 1 of this circular) causes the agreed total labour cost increase of R25,00 to be exceeded. This exemption is also extended to those employers who currently, on behalf of their employees, contribute to a retirement fund in excess of a rate of 4%.

3.2 Extension of current gazetted agreements to non-parties

The Minister will be requested to extend the current gazetted agreements to non-parties for a further period from 1 September 2006 onwards, until the Parties to the Main Agreement agree otherwise.

3.3 Process to Establish a New Approach to Collective Bargaining

- 3.3.1 The parties recognise that it is imperative for the parties to the Council to review their collective bargaining practices and to develop an approach to collective bargaining that is appropriate to the changed circumstances of, and the new pressures on, the industry.
- 3.3.2 The parties commit themselves to develop a new approach to collective bargaining in the industry and to negotiate a national framework agreement.
- 3.3.3 The parties commit themselves to complete the review and negotiations before the commencement of next annual round of negotiations, namely by 31 March 2007.
- 3.3.4 The parties will appoint a working group of employer and trade union representatives to develop the approach and a national agreement. The working group will commence its work in October 2006 and will hold at least 4 meetings arranged by the Council before the end of January 2007 and such further meetings as may be necessary in 2007 to complete its task.
- 3.3.5 The parties will agree a facilitator by 30 September 2006. The facilitator will have the power to-
 - 3.3.5.1 determine all process issues arising from the review and negotiations contemplated in this paragraph, and
 - 3.3.5.2 terminate the process if, in the opinion of the facilitator, one or more of the parties is not participating in good faith.
- 3.3.6 The proposals concerning a new approach to collective bargaining and a national framework agreement made in the course of the annual negotiations for this substantive agreement shall constitute proposals for consideration under the process envisaged in this paragraph. The parties may amend and supplement those proposals or submit new proposals in accordance with any process determined by the facilitator.
