12. PROCEDURE TO ENFORCE COMPLIANCE WITH THIS AGREEMENT

The Council shall take all reasonable steps to ensure compliance with this Agreement. If, whether through its own investigations or through any other source, it appears as if the provisions of this Agreement have been breached then the following procedure shall apply to enforce compliance:

- (a) The Council shall request the Minister to appoint a designated agent to investigate the alleged breach and/or refer the matter to the Council.
- (b) If, on completion of the investigation, the designated agent has reason to believe that this Agreement has been breached, the designated agent may endeavour to secure compliance with the Agreement through conciliation.

(e) the demonstrable commercial need of the applicant for the exemption sought.

(4) (a) The General Secretary of the Council or the Regional Secretary of the Regional Chamber concerned, or in their absence any other officer designated by the Executive Committee, shall forthwith refer the full exemption application to the Exemptions Committee, which shall have delegated power to deal with such application on behalf of the Council.

The time period stipulated in subclause (b) above may be extended by agreement between the applicant and the Committee by the period the applicant takes to furnish the additional information or submissions.

(d) The Exemptions Committee may, after considering the application in terms of the provisions and the criteria contained in this clause, grant, partially grant, or reject such application for exemption, and may impose any conditions on the granting or partial granting of any application it deems fit under the circumstances. If the applicant is not prepared to accept a partial granting of the application or any conditions imposed by the Exemptions Committee, the application shall be deemed to have been rejected.

(e) Subject to the time period for considering the application, referred to in subclause (b) above, should the Exemptions Committee be unable to agree, the application shall be deemed to have been rejected and the reasoning of the members of the Exemptions Committee who wish to reject the application shall constitute the reasons of the Committee for the purposes of subclause 4 (i) below.

(e) The exemption will not undermine collective bargaining and labour peace in the Industry.

(f) There has been compliance with subclause (3) above.

(g) The majority of affected employees at the plant are in favour of the proposed exemption, if it affects wages, benefit fund contributions, or levies. In such instance, either the employer, or the trade union may request that a ballot be conducted.

(8) In addition, the following criteria shall be taken into account by the Exemptions Committee and the Exemptions Board when determining applications for exemptions:

(b) Whether the applicant firm will constitute a viable concern after the expiry of the exemption.

(c) If the exemption sought is from any employee benefit fund, the sufficiency of the alternative benefit proposed by the applicant, including such factors as the cost to the employee, transferability, administration, management, costs, growth and stability, "Sufficiency", for the purposes of this subclause, means that in all material respects the alternative proposed is at least equal to, or better than, the relevant Council benefit fund.

(d) The terms of the exemption sought, including the period thereof.

(e) Any existing or projected special financial, economic or other circumstances put forward by the applicant as reasons warranting the granting of an exemption, including what economic hardship the applicant will suffer if the applicant is refused: Provided that the Executive Committee of the Council or the Exemptions Committee or the Exemptions Board may require the disclosure of such relevant, verifiable information as it deems fit in this regard.

(f) The history of the business entity and/or its shareholders, directors and owners within the Industry, including the period of its operation and in particular whether or not the entity is a new emerging enterprise or a small or medium enterprise (SME); and its history of compliance with Council agreements.

(h) Any possible alternatives which may be acceptable to the applicant and/or any other interested party in the circumstances.

(i) The cost, efficiency and administration of any conditions which the Executive Committee of the Council or the Exemptions Committee or the Exemptions Board may feel it necessary to impose.

(j) What cost-saving measures may have been implemented by the applicant other than those in respect of its cost of labour.

(k) What hardship may eventuate to employees in the event of the exemption being granted.

(l) Any relevant time limits contained in the Council's constitution and the Act, and in particular that any exemption or partial granting of an exemption shall be for a fixed, stipulated period.

(m) Any other relevant factors, including any decisions of the Council relevant to exemption applications.

(9) (a) An applicant shall be entitled to apply on the prescribed form to the General Secretary of the Council for the extension of any exemption granted by either the Regional Exemptions Committee or the Exemptions Board. An application for extension shall contain such additional information as may be necessary and required to substantiate the request with reference to the criteria set out in subclause (7) above.
